

**SIEPI Summer School**  
**“Firms and Industrial Policy”**

Second edition

July 21st – 24th 2025

Centro Residenziale Universitario di Bertinoro (CEUB) – Bertinoro (FC)

**SIEPI Summer School** is directed to PhD candidates, post-graduates wishing to enrol in a PhD program, and young researchers wishing to deepen their knowledge in the field of Industrial Economics and Industrial Policy.

We offer a four-days intensive study program, in which we will cover a broad and extensive introduction to the subject and its most relevant novel research topics, coupled with applied students' team works on the topics of the school.

**Participation fee:** €500, covering food and accommodation in double room at the [CEUB](#).

*Students of the Summer School will also enjoy a waiver on their SIEPI membership fee.*
